

APPROVED by

The Chairman of the Directorate  
of the International Track  
«WEARETOGETHER»  
of the International Prize  
#WEARETOGETHER

---

**Regulations for the International Track « WEARETOGETHER »  
of the International Prize #WEARETOGETHER 2026**

**1. General rules**

1.1. The Regulations are developed in accordance with the Regulations for the International Prize #WEARETOGETHER approved by the Head of Federal Agency for Youth Affairs on March 15, 2022.

1.2. These Regulations define the nominations, the procedure for conducting the International Track «WEARETOGETHER» of the #WEARETOGETHER International Prize (hereinafter referred to as the International Track), the requirements for the content and format of applications, the terms and stages of the implementation of the International Track, the procedure and criteria for assessment competitive applications in 2026.

1.3. The goal of the International Track is to reward citizens and organizations from across the world for their selfless contribution to solving important humanitarian problems and strengthening international humanitarian cooperation.

1.4. The International Track considers projects implemented outside the territory of the Russian Federation. Applications from citizens and organizations from the Russian Federation may be considered within the framework of other tracks of the International Prize #WEARETOGETHER.

1.5. Objectives of the International Track:

- identification of individuals and legal entities contributing to successful implementation of humanitarian projects at local, national or international levels;
- presentation of best projects aimed at solving important humanitarian problems at local, national or international levels;
- support and dissemination of the best social projects in the field of solving important humanitarian problems;
- strengthening international cooperation with the Russian Federation;
- promoting volunteerism.

1.6. The official website with information about the International Track is [wearetogetherprize.com](http://wearetogetherprize.com) (hereinafter referred to as the Website). The operator of the Website is the Association of Volunteer Centers, Non-Profit Organizations and Institutes of Social Development Dobro.rf (TIN 7706471501/ CHECKPOINT 7709001001).

1.7. The official theme of the International Track in 2026 is linked with the International Year of the Volunteers and is meant to recognize the contribution of volunteers to global development, the social change, and the environment — «Volunteers: Driving Global Change».

1.8. Official email of the International Track – [info@wearetogetherprize.com](mailto:info@wearetogetherprize.com).

## **2. Organizational structure of the International Track**

2.1. The organizational structure of the International Track includes:

- International Directorate (hereinafter referred to as the Directorate);
- Project Office;
- Regional Experts;
- Ambassadors.

2.2. Overall management of the International Track is carried out by the Directorate.

2.2.1. The Directorate performs the following functions:

- approving the Regulations of the International Track, introducing the amendments to them;
- ensuring compliance with the requirements established by the Regulations of the International Track;
- preparing and conducting all stages of the International Track, including coordination of the information campaign;
- establishing the working bodies necessary for expert assessment of competitive applications of the International Track participants;
- approving the final list of Laureates of the International Track (hereinafter referred to as the Laureates);
- making a decision on the annulment of applications in case of violations stipulated by the Regulations of the International Prize #WEARETOGETHER;
- approving the amount of the prize fund of the International Track;
- performing other functions related to the implementation of the International Track.

2.2.2. The Directorate includes representatives of international business, public, youth and humanitarian organizations and associations developing international humanitarian cooperation.

2.2.3. The Directorate is managed by the Chairman.

2.2.4. The list of members of the Directorate is approved by the protocol of the first meeting of the Directorate, which is signed by the Chairman.

2.2.5. The decision to nominate new candidates to the Directorate throughout the year shall be made at a regular meeting of the Directorate by voting.

2.2.6. The Directorate carries out its activities in the format of meetings, which are held as necessary, but not less than 2 times a year, and may be held both in-person and online.

2.2.7. The meeting of the Directorate is considered legally competent if at least 2/3 of its members are present at it.

2.2.8. Decisions of the Directorate are made by voting. A decision is made by a simple majority of votes.

2.2.9. The Chairman of the Directorate declares the meeting open, announces the issues on the agenda, makes the final decision on the issues where opinions are divided, signs the Protocol of the Directorate meetings.

2.3. The International Track Project Office (hereinafter referred to as the Project Office) performs administrative work on the operational coordination of the International Track activities including document management, communication with nominees and Regional Experts, promotion of the International Track. The Project Office is the executor of decisions and instructions of the Directorate.

2.3.1. The functions of the Project Office are performed by the Association of Volunteer Centers, Non-Profit Organizations and Institutes of Social Development Dobro.rf.

2.4. To assess the contribution of the International Track nominees to the solution of important humanitarian problems at a regional level, the staff of Regional Experts of the International Track (hereinafter referred to as Regional Experts) is formed.

2.4.1. Regional Experts shall assess the significance of the applications taking into account the relevance of the contribution in accordance with the assessment criteria.

2.4.2. Regional Experts shall be citizens of the regions of the world listed in clause 4.4 of these Regulations and shall have relevant competences and knowledge enabling them to assess the significance and relevance of the contribution of a nominee from the relevant region. The Regional Expert shall not be directly or indirectly related to the submitted applications. The Regional Expert shall notify the Project Office in advance of any direct or indirect affiliation with a submitted application.

2.4.3. The staff of Regional Experts shall be formed by the Project Office from leaders and representatives of national and international non-profit organizations in accordance with the regional division of the world and approved by the Directorate.

2.5. To attract applications, the Project Office can choose Ambassadors among foreign citizens.

2.5.1. Ambassadors are involved in the information campaign of the Prize and help in attracting applications from across the world regions.

2.5.2. Ambassadors are selected through a public contest held by the Project Office. The procedure for the selection of Ambassadors is defined in additional Regulations approved by the Project Office.

### **3. International Track nominations**

3.1. Laureates of the International Track are determined through a contest in the following nominations:

3.1.1. «Sustainable Future» – projects in the field of environmental protection, environmental education, ecological consumption, «green» economy and technology.

3.1.2. «Human Assistance» – projects aimed at improving the well-being of vulnerable categories of citizens, providing social assistance to people in the sphere of mental and physical health, donorship, health care development, as well as protecting populations and areas against emergencies, searching and rescuing of people, popularizing safety culture and developing volunteerism.

3.1.3. Under the decision of the Directorate, additional special nominations of the International Track may be established.

#### **4. Participants of the International Track**

4.1. The following categories can become participants in the International Track: «Legal entities» (non-profit, public and business organizations) and «Individuals» (volunteers and unregistered associations of initiative citizens).

4.2. In each nomination, up to 3 Laureates shall be selected, one of which must be an individual.

4.3. Laureates of special nominations shall be determined from among individuals and legal entities upon the decision of the Directorate at a regular meeting.

4.4. The selection of Laureates is carried out across the following regions: CIS, Europe, Asia-Pacific, Middle East and North Africa, North and South America, Sub-Saharan Africa.

#### **5. Application procedure**

5.1. To register participation in the International Track, candidates shall apply by filling in the electronic form on the Website. Applications in paper form or sent to the official email of the International Track are not considered.

5.2. A Participant is allowed to submit one application per nomination, however, each application must be unique and submitted for a different project.

5.3. The application form for participation in the International Track is set out in Appendix № 1 to these Regulations.

5.4. Applications shall be submitted in Russian or English.

5.5. The application shall include information about the Participant and description of a socially useful volunteer project or event implemented in 2025-2026, or currently being implemented by the Participant. Ongoing projects must have results by the time of submitting the application and a long-term vision for 2026.

5.6. The same project in applications from different Participants is not allowed. In case of such situations, the Directorate has the right to make the following decisions: to propose to the Participants to join their applications or to refuse participation.

5.7. The content of the application must comply with the requirements set out in Appendix № 2 to these Regulations.

5.8. The application for participation from individuals shall be submitted by the author, leader, organizer or participant of the volunteer project. The application from the author, leader or organizer of the volunteer project may include up to three members of the project team.

5.9. The application for participation from a legal entity shall be submitted by the head of the legal entity or its authorized representative. The application must be accompanied by a document confirming the applicant's authorization. In case of its absence, the Project Office reserves the right to cancel the submitted application. In case of change of the authorized person, the legal entity shall send a notification to the official email of the International Track specified in paragraph 1.8. of these Regulations.

5.10. By submitting the application, the participant agrees to the use of information about his/her project in presentation materials and mass media.

5.11. By submitting the application, the head of the organization agrees, in case of winning and if necessary, to receive prize money on the personal bank account.

## **6. Terms and stages of the International Track**

6.1. The International Track is held from March 18 to December 7, 2026 and have four stages: the application stage, assessment by Regional Experts, assessment by the Directorate, and the Award Ceremony.

6.2. During the application stage that takes place between March 18 until May 24, 2026 (included), Participants shall submit an application via the Website in accordance with the nominations and categories specified in Section 3 of these Regulations. Application submission will be closed on May 24, 2026 at 23:59 GMT. Applications may be extended up to and including June 1, 2026.

6.3. All applications are subject to preliminary verification (technical expertise) for compliance with the formal criteria specified in Appendix № 2 to these Regulations, in the period up to and including June 5, 2026. The preliminary verification is carried out by the Project Office and can involve Ambassadors.

6.4. Each candidate receives a notification on the results of the preliminary verification to the personal email address specified in the application during registration.

6.5. The Project Office has the right not to comment on the results of the preliminary verification.

6.6. Applications that have passed the preliminary verification are submitted to the Regional Experts for assessment.

6.7. The assessment by Regional Experts takes place until August 29, 2026 in order to identify best projects and initiatives in a particular region.

6.8. Assessment by Regional Experts is carried out in 2 stages: assessment of applications that have passed the preliminary verification, followed by an online presentation of the projects that received the highest score upon the Regional Experts assessment.

- 6.9. Each application is assessed by a maximum of three Regional Experts in accordance with the criteria approved by the Project Office and published on the official Website.
- 6.10. Nominees who receive the minimum required score after the preliminary assessment of their application by the Regional Experts will be invited to present their project online. The minimum required score is determined by the Project Office for each region individually.
- 6.11. Online presentations are assessed by at least 3 Regional Experts of the relevant region of the world in accordance with the criteria approved by the Project Office and published on the official Website.
- 6.12. Within the framework of the online presentation, the project shall only be presented by the applicant.
- 6.13. Applications that pass the required threshold score based on the results of assessment by Regional Experts are submitted to the Directorate for further assessment. The threshold score is determined by the decision of the Directorate for each region individually.
- 6.14. The assessment by the Directorate takes place from September 15 to September 29, 2026.
- 6.15. Each application is assessed by up to three members of the Directorate in accordance with the criteria approved by the Project Office.
- 6.16. The Laureates of the International Track are determined according to the results of all assessment stages.
- 6.17. The final scores are not disclosed by the Project Office and are confidential after the end of all events of the International Track.
- 6.18. Information about the Laureates is sealed in envelopes and kept by the Directorate until they are opened for the announcement of the Laureates at the Awarding Ceremony.
- 6.19. Information about the Laureates of the International Track is confidential. Persons familiar with the results are responsible for not disclosing information about the Laureates until they are announced at the Awarding Ceremony.
- 6.20. The Awarding Ceremony of the Laureates of the International Track is held in December 2026 within the framework of the International Forum of Civil Participation #WEARETOGETHER (hereinafter referred to as the Forum).
- 6.21. Under agreement with the Directorate, authorized representatives of the project may participate in the Awarding Ceremony, in case of refusal or inability of the project applicant to participate.
- 6.22. The Laureates of the International Track are awarded a commemorative prize (trophy).
- 6.23. The results of the assessment stages are not subject to appeal by the applicants.

## **7. Prize fund of the International Track**

- 7.1. In order to encourage the Laureates of the International Track, a Prize fund is formed. by the decision of the Directorate.
- 7.2. The Prize fund is formed depending on the Prize budget and the total number of applications submitted during the application stage.
- 7.3. The amount of the Prize fund shall be approved by the Directorate protocol after the Prize Laureates have been determined.
- 7.4. Upon the decision of the Directorate, additional support measures may be approved for the Laureates of the International Track.

## **8. Copyright and/or exclusive rights**

- 8.1. The materials sent by the Participant are not peer-reviewed.
- 8.2. The Participants are responsible for the content of the submitted materials.
- 8.3. The Directorate and the Project Office are not responsible for the content and authorship of the materials submitted for participation in the International Track.
- 8.4. The Participant guarantees that the submission of all application materials does not violate the rights of third parties and that at the time of submission there are no circumstances that would allow third parties to bring claims against the Participant, the Directorate and the Project Office for copyright and (or) exclusive rights infringement.
- 8.5. All claims by third parties to the content of applications, reliability and legitimacy of the Participant's activities, provided materials, results and other activities within the framework of participation in the International Track, including claims of authors, their successors, right holders, shall be settled by the Participant by his/her own efforts and at his/her own expense.
- 8.6. The participant of the International Track being the author (co-author) and right holder of the project, transfers to the Association of Volunteer Centers, Non-profit Organizations and Institutes of Social Development Dobro.rf a non-exclusive license to use the project materials in any way, including the right to publish the materials on the Website, on the Dobro.rf Platform, social networks, presentation materials and media, including those belonging to third parties.
- 8.7. The Directorate, Project Office are released from the obligation (responsibility) for payments (compensations) to any legal entities or individuals related to the use of project materials.

## **9. Legal notice**

- 9.1. The Participant, by submitting an application, gives consent to:
  - collection, processing, transmission, storage, display of personal data, in accordance with the Federal Law of 27.07.2006 No. 152-FZ “On Personal Data”;

- receiving newsletters about the International Track;
- publishing information about the Laureate and the Participant on the Website, the DOBRO.RF Platform, on social networks, mass media, including those belonging to third parties;
- use of photo and video materials showing the Participant's participation, taken during the International Track events.

9.2. By submitting an application, the Participant authorizes the Directorate, Project Office to use all information submitted as part of such application for analytical and scientific purposes, as well as in order to ensure transparency and openness of the competitive selection.

9.3. The Participant bears the risk of consequences in the case of not receiving legally significant messages sent by the Directorate and the Project Office to the email address specified in the application.

9.4. In the event of a Participant's or Laureate's prolonged failure to contact the Project Office for legally relevant communications, the Project Office may revoke the status of the Participant or Laureate upon a written notification to the email address specified in the Participant's or Laureate's application form.

## **10. Contact information**

10.1. Contact details of the Project Office: 115114, Russia, Moscow, Presnenskaya naberezhnaya, 12, Moscow International Business Center "Moscow-City"; contact email: [info@wearetogetherprize.com](mailto:info@wearetogetherprize.com).

**Application form for participation in the International Track "We Are Together",  
the International Prize #WEARETOGETHER in 2026**

**1. Application form for individuals in English**

№		Type of field
<b>Nomination</b>		
1.	Nominations	<p>Required field Single choice from the list:</p> <ul style="list-style-type: none"> <li>- "Sustainable future" projects in the field of environmental protection, environmental education, ecological consumption, «green» economy and technology</li> <li>- "Human assistance" projects aimed at improving the well-being of vulnerable categories of citizens, providing social and humanitarian assistance to people, discovering talents and nurturing individuals, developing education and volunteering</li> </ul>
<b>Personal info*</b>		
<b>*Filled in when registering on the platform DOBRO.com</b>		
<b>About the project</b>		
2.	Name of your event/project	<p>Required field 100 characters max</p>
3.	Main activities	<p>Required field 200 characters max</p> <p>For example,</p> <ul style="list-style-type: none"> <li>– activities in the field of education, enlightenment, promotion of such activities</li> <li>– activities in the field of science, the promotion of such activities</li> <li>– activities in the field of culture, art, promotion of such activities</li> <li>– activities in the field of health care, protection of citizens' health, prevention of diseases, advocacy of a healthy lifestyle.</li> <li>– activities in the field of environment, promotion of the environmental agenda, environmental protection</li> </ul>

4.	Briefly describe the project (activities within the framework of the project)	<p><b>Required field</b> 2000 characters max</p> <p>This is a written description of the project, reflecting the main idea of the project, the target group, the content of the project and the most significant expected results.</p> <p><i>The text of the short description will be publicly available.</i></p>
5.	Describe the goal of the project	<p><b>Required field</b> 1000 characters max</p> <p><i>Answer the question: "What do I want to achieve?"</i></p> <p>The goal should be directly related to the target group, aimed at solving or mitigating the stated social problem of this group. The stated goal should be achievable.</p>
6.	Describe the objectives of the project	<p><b>Required field</b> 1000 characters max</p> <p><i>Answer the question: "What am I doing to achieve the goal?"</i></p> <p>Only those objectives that contribute to the achievement of the project goal should be listed. It is important to ensure a logical connection between the objectives and the causes of the problems of the target groups.</p>
7.	The geographical presence of the project (villages, cities, countries)	<p><b>Required field</b> 500 characters max</p> <p>You must list only those locations and territories where the project activities are directly carried out and (or) where target groups of the project are located.</p>
8.	Describe the project implementation dates	<p><b>Required field</b> 500 characters max</p> <p>You should specify the start date of the project and the end date if the project is completed.</p>
9.	Describe the target groups of the activity	<p><b>Required field</b> 500 characters max</p> <p>You should specify one or more target groups — people whose problems the project is aimed at solving or mitigating. It is necessary to specify only those categories of people with whom work is actually carried out within the framework of the project.</p>

9.1	Describe the problem of the target group, justification of the social significance of the project	<p><b>Required field</b> 5000 characters max</p> <p>It is necessary to describe in detail the problem of the target group, which is being solved within the framework of the project.</p> <p>If there are several target groups, it is necessary to describe the problem of each of them.</p> <p>We recommend following the plan below:</p> <ol style="list-style-type: none"> <li>1. What group of people is affected by the problem? Briefly describe the target group: its composition and the number of representatives in a specific project area.</li> <li>2. What is the problem? It is important to describe what issues a specific target group is experiencing and what are the reasons for the existence of this problem.</li> <li>3. Provide the results of the target group's research: observations, surveys, interviews, as well as the results of third-party research with links to sources.</li> <li>4. Specify (if available) specific quotes from the media, excerpts from official statistics, information from authorities that relate to the selected target group in the selected territory, necessarily accompanying the information with links to sources.</li> </ol>
10.	Share the materials confirming the existence of the problem	<p>You can confirm the existence of the problem described by you with materials reflecting the progress and result of research — these are lists of questions from interviews with representatives of the target group, transcripts of respondents' answers, the results of observations and surveys, more detailed conclusions and statistics of research results, and so on. It is also possible to provide third-party research results confirming the problem in this field: analytical data (statistics of the project) provided by the authorities, research results and practical experience of other NGOs working to solve similar social problems.</p>
11.	Provide quantitative results	<p><b>Required field</b> 1000 characters max</p> <p>Provide statistical data that demonstrates the results achieved by the project.</p>
12.	Provide qualitative results and ways to measure them	<p><b>Required field</b> 1000 characters max</p> <p><i>Answer the question: "What has changed for the people we helped?"</i>, as well as describe ways to measure these changes and verify that the planned qualitative results have been achieved.</p>

13.	Provide information about the project team	1000 characters max Optional field In this section, you should add information about key members of the project team. As a rule, up to 3 key team members are indicated (including their full name and position title).
14.	Provide information about the partners of the project	Required field 300 characters max Specify up to 10 project partners (organizations and (or) individuals) who provide information, consulting, organizational, material and (or) other support for the implementation of the project (if any). Provide the official name of the partners and the role they played in the project.
15.	Scanned copies of supporting documents from the partner organizations (required stamp and signature)	Optional field Attach up to 10 files in pdf, jpg, png format The partners' support for the project should be confirmed by up-to-date documents containing information on the role and specific forms of the partner's participation in the project (letters, agreements, etc.).
16.	Sustainability of the event/project, development prospects	Optional field 2500 characters max If desired, you can provide plans for the implementation of the project and specify the expected social effect.
17.	Media coverage of the project	Required field 700 characters max It should be indicated how the project as a whole and its key events are covered in the media and on the Internet. Attach links to articles, reports, social media posts, and groups.
18.	Other files/documents that confirm the results and relevance of the activity (diplomas, recognition letters, etc.)	Required field Attach up to 10 files 10 files doc, pdf, ppt, jpg, png.
19.	Additional information	Optional field 7000 characters max

**List of requirements for applications for participation in the International Track  
"We Are Together"  
of the International Prize #WEARETOGETHER in 2026**

Formal requirements are imposed on all applications received from individuals and legal entities.  
If formal requirements are not met, the application is not considered.

Formal requirements:

1. The application must be submitted from a participant who has reached the age of adulthood in accordance with the legislation of the country of citizenship, but is not younger than 18 years old.
2. The application must be submitted within the terms of the Application Campaign. Applications submitted later than the deadlines indicated by the Regulations are not considered.
3. The application form must be completed via the official website of the International Track <https://wearetogetherprize.com/>.
4. All required fields of the application must be filled in. In the presence of one or more blank mandatory fields, the application is not evaluated by the jury members and does not participate in the competition for the award of the Prize.
5. The application must be completed in Russian or in English.
6. The application must be accompanied by the documents requested in addition to the required fields.
7. The application must contain only relevant materials.
8. The application must indicate the nomination corresponding to the field of activity of the organization or individual.
9. The text of the application must not contain extremist, racist or other appeals that infringe on a certain group of society.
10. Materials provided in languages other than Russian or English (articles, media materials, videos, etc.) or without an official translation are not considered as part of the assessment campaign. Materials provided by links and posted on closed third-party sources are not considered. If additional authorization is required, a request is received, or materials are downloaded from third-party sources, the materials are not considered.
